#### Public Hearings:

- 1. 7:05pm- 1250 Hancock St., Quincy College:** William Hall, Director of Campus Services for Quincy College appeared before the Board. His presentation illustrated lighting proposed for the exterior signage. Discussion ensued about the goose neck lamps and the up-lighting proposed for the two different locations. Mr. Hall was asked if the letters now on the building could be separated from the building so that back lighting might be used. He understood the concept and asked to take it back for further review. Some Board members appreciated that idea. On a motion by Member Trepanier, second by Member Manning the Board voted 5-0 to continue the case to its next meeting in August.
- 2. 7:10 pm- 1546 Hancock St., Presidents Rock Club:** The application for a new sign was before the Board. However, there was no representative of the business in attendance. No action was taken.

#### **7:20 pm. – Other Business:**

1. MHC/Hancock Cemetery update:

The mayor's office was informed of the status of the grant from MHC. A site visit was scheduled for July 23 with MHC, QHC, Cemetery Board, Parks Dep't. and conservators.

2. Discussion followed on matters of QHS and MHC communications.
3. Chairman Ricci asked for clarification on status of Alternates to the Board.

On a motion by Member Affsa, second by Member Foley the meeting adjourned at 7:50 p.m.

Respectfully Submitted,
